

## **Have you realised how difficult it is to redeem your frequent flyer points to book flights?**

**Now you can redeem your American Express Membership Rewards Points with TravelKey**

**Travel ANY where at ANY time ANY airline- no blackouts & instant redemption!**

In one of the most exciting developments affecting any reward point program, from January 2006 all American Express Card members enrolled in **Australian Membership Rewards** are able to redeem their points for virtually any type of travel.

This exclusive Travelscene American Express offer is available through Global International Travel Services. Points can be used to pay for any travel booking, either partially or fully, including accommodation, cruises, airfares, packages, insurance and more.

### **Features of TravelKey**

- Virtually any type of travel, anytime with no blackout periods
- Includes any airline, any seats, domestic or international
- Use the points for family or friends, not just the card member
- Pay for travel entirely with points or in combination with payment
- Simple process to redeem your points
